

On Being Pilot in Command

Pilots are taught about aerodynamics, meteorology, aircraft systems & handling, regulations, airspace, etc, but they are not given much on how to be a good pilot in command. This seminar will focus on the aspects of aeronautical decision making (ADM) and acting as pilot in command.

Directions: Alliance Airport, Tarrant County Community College(KAFW)
2301 Horizon Dr, Fort Worth, TX 76177
Cafeteria

From the parking lot, enter the main entrance, and turn right down the end of the hall to the right is the cafeteria.
For fly-in: Park at the FBO, rides to the college will be arranged.

Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines
